

QUALITY POLICY

Agriculture and Food Authority (AFA) aims to sustainably develop and promote scheduled crops value chains through effective regulation for economic growth.

AFA is committed to developing and maintaining a quality management system which conforms to ISO 9001:2015 international standard.

In pursuit of this commitment, AFA shall:

- Establish and maintain a quality management system and continually improve its effectiveness;
- Effectively communicate the quality policy at all levels within the organization and shall be available to relevant interested parties;
- Provide resources for implementation of the quality management system;
- Comply with applicable statutory and regulatory requirements.

AFA shall implement, monitor and regularly review this policy and related quality objectives for suitability in line with the changing needs and requirements of our customers and other relevant interested parties.
